## Education

- |      |   |                                 |
|------|---|---------------------------------|
| 2005 | Ph.D. Computer Science<br>Dissertation: <i>The efficacy of personal knowledge bases for materializing mental impressions</i><br>Advisor: Roger King         | University of Colorado, Boulder |
| 2005 | Graduate Teacher Program Certification  | University of Colorado, Boulder |
| 1996 | M.S. Electrical Engineering<br>Thesis: <i>Digital signal processing techniques for the automated recognition of musical tones</i><br>Advisor: Delores Etter | University of Colorado, Boulder |
| 1992 | B.S. Electrical Engineering ( <i>cum laude</i> )  | Rice University, Houston, Texas |

## Professional Experience

- |              |  |
|--------------|--|
| 2006–present | <b>University of Mary Washington, Assistant/Associate Professor</b> , Fredericksburg, Virginia. Teach undergraduate coursework in computer science, data science, and related fields; direct the UMW Data Science program (minor); advise students on career and academic-related pursuits; conduct undergraduate-focused research on a broad range of topics, including user interfaces to database systems, computational social science, and computer science pedagogy. |
| 2000–2006    | <b>WD30 Corporation, Principal Software Engineer</b> , Broomfield, Colorado. Performed onsite software consulting and custom software development for clients. Projects included enterprise Web applications, distributed data collection and editing systems, billing and procurement applications, and custom infrastructure components.   |
| 1999–2000    | <b>Azika Corporation, Principal Software Engineer</b> , Boulder, Colorado. Developed startup company's flagship product: a web-based marketing automation solution, with both design-time and publish-time elements.   |
| 1996–1999    | <b>Storage Technology, Inc., (since acquired by Oracle and Sun Microsystems), Staff/Senior Software Engineer</b> , Louisville, Colorado. Designed and implemented next-generation library management software to drive automated robotic tape libraries.   |

## Honors, Grants, Awards

- Chi Beta Phi Faculty Award. An annual student-nominated award which “honors exceptional professors in the sciences and mathematics who demonstrate a love of teaching, genuine outreach to students, and contribution to the university community.” April 2013.
- Mary W. Pinschmidt Award. Awarded annually by UMW Senior class to the faculty member “whom they will most likely remember as the one who had the greatest impact on their lives.” May 2010.
- UMW Jepson Fellowship, academic year 2009-2010: “Modeling Subjectivity in Database Exploration.”
- Teaching Innovation Program summer 2007 faculty development grant: “Promoting Learning and Collaboration in Computer Science Through Team-based, Interdisciplinary Projects.”
- Upsilon Pi Epsilon, inducted 2007.
- Residence Life Academic Teaching Award. Awarded to faculty who students in the Honors Residence Hall identify as having had significant impact on their success at the University of Colorado. April 2005.
- CU-LEAD Alliance Faculty Appreciation Award, for work with minority students. Given annually by the Leadership, Excellence, Achievement, and Diversity Alliance at the University of Colorado to selected faculty for demonstrating dedication and commitment to the success of underrepresented students. November 2004.

## Subjects Taught

- FSEM 100: Freshman Seminar (Artificial Intelligence; History of Technology)
- DATA 101: Introduction to Data Science
- DATA 219: Foundations for Data Science
- CPSC 105: Problem-Solving with Databases
- CPSC 110: Introduction to Computer Science
- CPSC 220: Programming and Problem Solving
- CPSC 225: Software Development Tools
- CPSC 240: Object-oriented Analysis and Design
- CPSC 284: Applied Discrete Mathematics
- CPSC 305: Computer Systems & Architecture
- CPSC 326: Theoretical Foundations of Computing
- CPSC 340: Data Structures (as CPSC 230)
- CPSC 350: Applications of Databases
- CPSC 370: Special Topics: Database Essentials and Data Mining

- CPSC 370: Special Topics: Computational Science
- CPSC 415: Artificial Intelligence
- CPSC 420: Modeling and Simulation
- CPSC 448: Advanced Web Application Development
- CPSC 470: Special Topics: The Semantic Web

## Service

- Data Mavens student club, Faculty Sponsor and Supervisor, 2016-present.
- Department Chair, Computer Science, 2015-present.
- Program Director, Data Science program, 2013-present.
- Invited speaker for the Center for Social Complexity, Krasnow Institute for Advanced Study, George Mason University, 2017. (With Hannah Zontine.)
- Track co-Coordinator, Social and Behavioral Simulation Track – WSC (Winter Simulation Conference; affiliated with ACM SIGSIM), 2014-2016.
- Provost's 4-Credit Working Group, Chair, 2014-2015.
- President's Strategic Reallocation Task Force, Academic Subcommittee, 2013-2014.
- Invited speaker for the fall 2013 UMW Honor Convocation.
- University Curriculum Committee, University of Mary Washington; chair 2012-2013.
- University Faculty Council, University of Mary Washington, at-large representative, 2011-2013.
- CAS Faculty Senate, University of Mary Washington, representative from Computer Science, 2010-2011.
- CAS Curriculum Committee, University of Mary Washington, member 2007-2008; secretary 2008-2009, chair 2009-2010.
- CAS Faculty Senate, parliamentarian 2008-2011.
- QEP (Quality Enhancement Plan) Planning Committee, 2011-2012, in preparation for SACS re-accreditation.
- RFP (Request For Proposals) committee for online course evaluations, 2011-2012.
- ACM Chapter Supervisor, 2010-2011.
- UMW Quantitative Reasoning Assessment Committee, representative from Computer Science, 2011-2013.
- Invited speaker for Summer Science Institute, summer 2009, 2010, 2013, and 2018.
- Department of Mathematics Search Committee – member 2008-2009.
- First-Year Advisor, University of Mary Washington, 2007-2011.
- Computer Science Career Advisor, 2007-2008, 2011-2012.
- PERLs student club, Faculty Sponsor and Supervisor, 2007-2010, 2012-2013.
- Invited speaker for Writing Intensive Program Summer Workshop, summer 2008.
- Invited speaker for Teaching Innovation Program (TIP) New Faculty Welcome, fall 2007.
- Invited presentation for Math Awareness Month: "Semantic Networks and the Quest for the Personal Knowledge Base," University of Mary Washington (2007).
- Computer Science Department Secretary, 2006-2007.
- Computer Science Graduate School Advisor, 2006-2007.
- Reviewer – ACM SIGCSE (Special Interest Group on Computer Science Education), 2007-2011.
- Reviewer – ACM ITiCSE (Innovation Technology in Computer Science Education), 2007-2011.
- Reviewer – FIE (Frontiers In Education) conference, 2010.
- Reviewer – VJAS (Virginia Junior Academy of Sciences), 2007.
- Programming Contest Coordinator – Consortium for Computing Sciences in Colleges Eastern Conference, 2007.
